

This is to certify that

ULTRALUB SP 320 PC

supplied by

Compañía General de Lubricantes SA (COGELSA)

C. Comerç 36, 08740, Sant Andreu de la Barca, ES

has been registered by 2probit.eu

Release agent

This product is acceptable as a Release Agent for use in food processing as a non-adhesive for moulds and hard surfaces, such as chopping boards, grills, ovens, loaf pans or other hard surfaces in contact with food.

Incidental Contact

This product is acceptable as a lubricant, anti-rust film or release agent with incidental food contact for use in and around food processing areas in locations in which there is a potential exposure of the lubricated part to food up to 10 ppm.

Use the product according to the manufacturer's instruction and applicable label directions. The amount used should be the minimum required to accomplish the desired technical effect.
