

This is to certify that

ULTRADEG SD ATOX

supplied by

Compañía General de Lubricantes SA (COGELSA)

C. Comerç 36, 08740, Sant Andreu de la Barca, ES

has been registered by 2probit.eu

Incidental Contact

This product is acceptable as a lubricant, anti-rust film or release agent with incidental food contact for use in and around food processing areas in locations in which there is a potential exposure of the lubricated part to food up to 10 ppm.

General cleaners

This product is acceptable for use as a general cleaner for food processing areas. The product is not intended for direct food contact. Prior to use all food and packaging material should be removed or covered when the compound is used in the food processing areas. After the use the cleaned area should be thoroughly rinsed with potable water and shall neither exhibit a noticeable odour or leave visible residue.

Use the product according to the manufacturer's instruction and applicable label directions. The amount used should be the minimum required to accomplish the desired technical effect.
