This is to certify that

DELTAFOOD SP 320

supplied by

PRODUCTOS DELTA SAU

CARACAS 29, 08030, BARCELONA, ES

has been registered by 2probity.eu

Ingredient for use in H1 Lubricants

This product is acceptable for use as an ingredient for use as a lubricant, anti-rust film or release agent with incidental food contact for use in and around food processing areas. After the use as an anti-rust film the surface must be washed or wiped to remove any residues of the product before further use.

Use the product according to the manufacturer's instruction and applicable label directions. The amount used should be the minimum required to accomplish the desired technical effect.
